My little angel

I never got to meet you, but I loved you from the start.

Go and be one of God's angels and all of us will go be with the one's we lost.

But we hope to see you again.....

Be free

God looked around His garden and saw an empty place.

He looked down upon this earth and saw your sad tired eyes.

He said to me "Your angel needs her wings."

We will miss your beautiful soul Alannah♡

Love, Mom and Dad
