“ We still can't believe that our good friend is not with us. There are a hundred good words that would describe what kind of person that Alice was. Wonderful, giving, loyal, compassionate, caring, and loving are only a few. Alice took Donna under her wing and helped her in so many ways and she did not even realize it. She became Donna's best friend and confidant. There is a big hole in our hearts now that we will try to fill with all the wonderful memories we have of her. Alice we miss you so much and we love you with our entire heart and soul. Rest in peace good friend. Donna and Santos Franco
