“ Allen was always one of my favorite people at church. I haven't seen him in awhile, and we miss him. My daughter Brooke (he called her "Tiger") felt very close to him when she was little. I will e-mail some pictures I found while putting together out 75th Anniversary program.

“ We are glad to have known Allen, On several occasions, we would meet at Wal-Mart and talk for a while. For the past several months, He would be on the electric cart. I would tease him about him racing with another friend at Peach Tree on his own electric chair. Our sympathies are with Revae, Susanne and George at this time.
