Anything I needed she was more than happy to do. Her smile could light up a room and her kindness knew no bounds. She will be dearly missed by me and our ASCS family.*

“ *Mrs. Anna, I know we don't have just one memory, we have so many! You were always a bright light in a dark moment! My oldest daughter Cheyenne looked up to you like a Grandma, She loved going to your classroom when she visited the Elementary, one time I went into a panic bc we couldn't find her after the rif book night and she was with you the entire time! When she came out, she said Mom, I was safe with Mrs. Prudencio why did you worry. We love you and will miss you so very much!!!*
