I'm Free

Don't grieve for me, for now, I'm free,
I'm following the path God laid for me.

I took his hand when I heard his call,
I turned my back and left it all.

I could not stay another day,
Tasks left undone must stay that way,

I've found that peace I yearned for at the close of the day.

If my parting has left a void,

Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah, yes, these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My Life's been full, I savoured much,
Good friends, good times, a loved one's touch,
Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free.

Mother & Son - Just a Dream Away

I would give my life to have you back,
Said the Mom
I know you would, said her child.
I cry each night for you, said the Mom
And I catch all of your tears said her child
I pray for the day
That I can see you again,
Said the Mom
Just close your eyes, and you can see me,
Said her child
I am always just a dream away.....
You are the first person who loved me,
And you are the first person I loved.
You were always there
when I needed you,
And you always knew

when I needed a hug.
I am here for you now, Mom
In your heart and in your soul.
I did not take your heart with me
Instead, I left mine with you to hold.
One day I will take your hand
And lead you to paradise,
But until then my beautiful mother,
When you want to see me
You only need to close your eyes.
I am always just a dream away.....

2 Corinthians 5:8

We are confident, I say, and would prefer to be away from the body and at home with the Lord.

“ I am honored to have had the chance to know Anthony, and to have
been fortunate enough to watch him grow over the years. His quick
wit and humor kept me on my toes. But his strength, determination,
and caring heart will stay with me forever.

“ I remember when I first met Anthony and thinking he was so smart and so sarcastic. I knew then that we were going to be good for each other. Anthony was fearless and even though he was limited physically he still did his readings and was prepared when I came back. When I would leave a picture he would imagine what it represented. He would make a story up about the picture to tell me and he could tell some whoppers. My prayers are with his family and friends and I feel so blessed to have spent time with him and his family.
