

Barbara Mae Daugherty

June 22, 1934 - January 30, 2016

The Lord received His loving servants, Barbara Mae Albert Daugherty, 81, on January 30, 2016. Barbara was born June 22, 1934 to William Franklin Albert and Priscilla Sarah Gough in Philadelphia, PA.

As a family, we haven't just lost a mom we lost a friend. When Barbara loved you, she would always protect you and have your back. It would be hard to find another person as good as she was.

She was an angel, an honest and caring lady who never slowed down. Her days were never done, she woke up early and went to bed late. She was a wonderful cook who enjoyed canning. Barbara loved her dogs and cats and all other animals.

Preceding Barbara in death are her husband, George and five brothers and sisters.

Those left to carry on Barbara's heritage are an adopted daughter, Kathy Stone of Moriarity, NM; sons: Curtis Newman of Dexter, NM, Dave Stone of Moriarity, NM, Eddie Ensor of New Braunfels TX, and Rick Ensor of Thorndale, TX. Additionally surviving Barbara are two brothers and three sisters.

At the request of the family, there will be no service.

“ All I have is great memories about Barb. She had a great heart and was always there when her friends were in need. She accepted me and my wife as her own children. She was an easy person to please all she expected was respect. She would put the things she needed off to help others. I'm so glad that the Lord let me know her. She was a true blessing for me and my wife. I know we will see Barb in Heaven. Barb loved working in her garden and loved all her pets. She has a sister named Shirley and I have to say she is an awesome person. I'm truly sorry for the loss of a wonderful sister. My prayers are with the family and my heart hurts with them. My prayers are also for Curtis for He is having a hard time with out her in his life. Dave and Kathy Stone
We will miss you Barb!
