“ I will miss Barbara very much. I am thankful to have all the memories of the times I shared with her. Our trips to the casino... even braving the snow to Ruidoso and her directing my driving. The trip we took to Las Vegas. It was such a good time! Her, Michael Turner, and I. What a fun time that was and I am so glad we were able to do that! The trip we took all the way to New York. Such a long drive but we saw so much along the way and went to Canada. Saw Niagara Falls and even had to gamble at the casino there. Oh and got to stop and gamble in Atlantic City and walk on the boardwalk even though it was windy and a hurricane was moving in!! She sure loved her slot machines! I had some fun times with her. As a kid I remember being in her house so much growing up with my cousins and having good times. Of course there were all the crazy times too but that was Barbara too! I will miss you so much Barbara but I am very thankful for all I was able to share with you and will always cherish the memories. Love you always! And I will play a dollar for you next time I am at the casino!!
