“ Awe my bumblebee, BEA. I'm so saddened. You have always always no matter what been such an awesome big hearted n never judged. When I met you years n years ago. Always on your road trips with pelon.. after that me n you became good friends. We always made sure to keep in touch wit one another. You have always been such an easy person to talk to bout anything without you ever judging. You always jus made sure to lead me me in the right direction.. I am forever gonna miss all of you n especially our deep conversations.. all your pain is now gone and your now wit your hubby.. I'm jealous.. I LOVE YOU MY BUMBLEBEE N YOU ARE FOREVER EMBEDDED N MY SOUL...THANK YOU FOR ALL THE GREAT MEMORIES YOU LEAVE ME WITH..

“ *Beatrice Galindo Juarez was a beautiful soul whose friendship meant so much to me. Every day, I looked forward to her text messages. Whether she was checking in, sharing a kind word, or simply saying hello, those messages brightened my day and reminded me of the caring person she was. It is hard to imagine my days without hearing from her. I will miss her deeply, but I will always cherish the memories, laughter, and kindness she shared. May she rest in peace, and may her family find comfort in knowing how much she was loved.*” 

*My deepest condolences to her family and friends.*
