“ *When I saw that picture in the paper today, I recognized Billy's face. I worked with him for most of his 19 years with the county. Billy was always so pleasant to talk to and he worked hard to get his job done. It is sad to say goodbye to this friend. Billy made sure his department got their jobs done and were not intrusive on other office business. I will always remember his great laugh. He always had something funny to say in any situation. He kept a light heart and treated others with respect and fairness. Those of us who worked with you will miss you old friend and we shall miss you smiling face.*

“ Billy, I called your sister, Barbara just days before you passed, I had been thinking about you and about all the great fun memories we made together growing up on Monroe street. I was saddened to know that you had gone blind and asked Barbara to say Hi to you and that I was thinking of you. And now, I can say Hi to you anytime and you'll know it's me.

I dedicate this song to you. "Spirit in the Sky"

I worked with Billy for a short time at Chaves County, right before he retired. Billy and Trini both took such good care of all the employees and did such a great job taking care of everything! There was great pride in their work and it showed! Billy was so kind to everyone, and always had a kind thing to say to everyone. It was a joy to work with him. I will keep you and your family in my thoughts and prayers.
