And All the Angels Smiled
And Angels smiled when they saw your face
Baby Boy Because they knew you would make them laugh
You were the smile for everyone even when they were down
You were the first to lend a helping hand
And Angels smiled when they saw you
Baby Boy Because they knew you would be the best Brother
They could ever have We will all miss you
Baby Boy Your Smile Your Hugs Your Kisses Your Kindness
You Left us your Beautiful Little Girl
That we will always see you in her
And angels will smile Because they get to be around you everyday
I'll miss holding you
Mama will come and hold you soon.

“ My condolences go out to Celso's family especially his mother Naomi Gonzales. We all loved and will greatly miss Celso. He was a good person and I had some of the best times of my life with him. It was a heartbreaking shock when I heard the news, but I know that he is in a better place with his daughter and his father now, no more suffering babe. I wish I would have had the chance to just see him smile and laugh one more time, like he used to when he would hang out with me, maria, and lisa. He was a good guy, a great friend, and always made everyone laugh.Now he's up there with the angels laughing and smiling, looking down on us. RIP Celso. Letica and the Leos family~

“ My deepest condolences to the family of Celso. I could not believe it when I read in the newspaper. He was a great guy even though I didn't really get to know him a lot, but the little time I knew him he was a great guy. May God have him in heaven with him watching over his little girl and family.

“ God has His mysterious ways of doing things, which at times we can't except or even begin to understand. You are no longer with us, God has other plans for you now and even though it hurts so much, I am comforted by the thought that you will be reunited with your dad. I love and miss you both and you will always be in my thoughts and prayers. Your primo, Chris Martinez

“ We send our deepest condolences for your lost. But also want to let you know that Celso was deeply love and will be missed dearly. I know my husband has many memories with Celso and feels he lost a brother. But one of my favorite memories of Celso is from our wedding. He was the best man and forgot he had to give a speech. He didn't come sober but he did leave a memorable speech. He always made us laugh. We will be praying for your family. Love you all. Padilla family.
