“ *Rest in Peace, Claressa. To the Family, may God be with you during your time of mourning. I have pleasant memories of our times together during our middle school years at Publeo and high school at Goddard, where we were in the same graduation class.*

“ *It was with deep sadness that I learned of the passing of Claressa today. We knew each other from the time of elementary school; and each time we saw each other it was as though it was yesterday. She was a very nice person, always pleasing and we shared many laughs together. While reading over the comments below, I see that Yvonne had written one, and ironically, she was just funeralized a couple of weeks ago. May the family be blessed and all of the good memories of Claressa strengthen you in the pain of her loss.*

“ *I worked along Claressa as a job coach a few years back, as well as being one of Chris ' job coaches back when he was at Sonic. Claressa was such a sweet soul, very caring and always greeted you with kindness. I would get random phone calls from her to see if I called her. It was a pleasure knowing her and the kindness she brought to people who knew her. My prayers are with Chris & her family. My condolences and may God bless during this time.*
