“ I have many memories with you and then later with Clyde and you. I was glad I was able to spend time with you when Bob and I visited you in NM. We so enjoyed that. I know how much you miss him - I miss Bob as well - still, after 2 years. I hope you are okay - would love to hear from you.

“ I loved his stories and loved to hear him talk about cooking. I still hold to my heart my first cook book that he signed for me. I use that cook book well. Miss you dearly. Love to all
