“ Footprints

*One night I dreamed a dream.
I was walking along the beach with my Lord.
Across the dark sky flashed scenes from my life.
For each scene, I noticed two sets of footprints in the sand,
one belonging to me and one to my Lord.*

*When the last scene of my life shot before me I looked back at the
footprints in the sand and to my surprise,
I noticed that many times along the path of my life
There was only one set of footprints.
I realized that this was at the lowest and saddest times of my life.
This always bothered me
and I questioned the Lord
about my dilemma.*

*"Lord, You told me when I decided to follow You, You would walk
and talk with me all the way.
But I'm aware that during the most troublesome times of my life
there is only one set of footprints.
I just don't understand why, when I need You most, You leave me."*

*He whispered, "My precious child, I love you and will never leave
you, never, ever, during your trials and testings.
When you saw only one set of footprints it was then that I carried
you.*

“ God looked around His garden and found an empty place
Then looked down upon this earth , and saw your tired face
He put His arms around you and lifted you to rest.
God's garden must be beautiful. He always takes the best.
It broke our hearts to loose you, but you didn't go alone, For part of
us went with you, the day God called you home.
We are so sorry for your loss.
