“ Dear Tederick Family,

We are sad to hear of Ed's passing. All of you are in our prayers today and in the days to come.

We had the pleasure of working with Ed at Security National Bank. He was one of the best respected, kindest, well liked, and most reliable employees at the bank. How blessed we were to know him, and his careful, accurate work made our jobs easier.

With deepest sympathy,

Ann Applegarth and Marie Powell

“ *Ed and Carolyn Tederick Family*

It was a sad day to learn of Ed's passing. During this time of bereavement please know Ed and Carolyn and the Tederick family and friends are in my thoughts.

I met Peggy when we both worked the Security National Bank. As a member of the bank team, we worked together many evenings and weekends with a great team of co-workers. Bonita Stone and Ed worked the loan window and were consummate professions. They both were always 'in balance' and were respected and admired for their professional disposition and work ethic. After working together I did not see Ed too often but I often visited with Carolyn who worked sports activities for the Roswell Independent School District and she always was friendly and kept me updated on Mr. Ed.

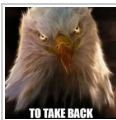

Both Ed and Carolyn were most considerate and caring and were beautiful inside and out with a kind nature.

Please know just as her family and friends, these friends of Ed and Carolyn have many fond memories and good times spent to cherish, share and hopefully provide all of us comfort during this time of bereavement.

With kind thoughts and warm regards, I remain,

*Respectfully,
Tom Jennings*
