“ I would like to extend my deepest condolences to the Chavarria family for the loss of Eliu. I have many fond memories of the Eliu. As a kid, my mom and I went to the same church he did for a short time. Then we went to the same high school and boy did he give me grief!! LOL He would always pick on me during band, He always put things in my locker and on my locker, not sure how he got the code lol. But he was nonstop. He'd always tell me to play a man's instrument like the tuba that he used to play, and I would tell him I wasn't a man LOL that's why I played the flute. A while back, I went to visit my brother, and guess who was there? Of all people, Eliu! He didn't hesitate or waste any time to start picking on me again, He was a silly guy that's for sure.

And on behalf of my brother, Israel DelaRosa, He also extends his condolences to the family and is so sorry for your loss.

As Eliu would always say “with mad love and respect.” May he rest in peace. God bless you all.

He loved to joke around.
Years later we ran into one another, its was as though our friendship hadn't missed a day.

Liked seeing my old buddy.

RIP Eliu! No matter what was going on in his life Eliu always had a moment to stop and be a friend. He always listened and had a sensible approach to everything in life. He had a strong sense of justice and a huge heart. I only got to have him in friendship for about 10 years but it was always like we'd known each other forever. He always knew the right things to say.

Eliu.... I can't believe you're really gone. I miss all of your crazy Facebook posts! I am so grateful for the last time we spent together. Much love!!
