“ To the Reynold's Family, Our deepest sympathy to Mary and the rest of the family, we are truly sorry for your loss. Ernest was my Lieutenant at the Roswell Fire Department, where we shared many good times at Station 2 and many memories on structure and ems calls that we responded on. Our crew at Station 2 on C shift was known as Los Tres Amigos, Ernie Reynolds, Richard Gonzales and Tony Garcia. I also remember the pool games that we played late in to the night on shift at Station 2 waiting for calls which were interrupted many times. I also remember the good enchiladas Mary prepared for us. Thank you Mary. Good by my friend. Richard, Lydia and Family.

“ My dad might of had a bit of influence on a lot of youngsters from the Southside in the 70's all the way to 1989 as for he was the President of Lions Hondo Little League for 18 or so years. Oh how I miss my days as a youth with only the one worry that my bike wasn't flat and my Pops wasn't upset with anything I did that day. I will forever hold the many memories of camping, fishing or even just getting in the van to take a cruise to eat a Hi-D-Ho burger on a Sunday afternoon in Alamogordo. The most best times were when we would go take him his dinner while he was at work at the Fire station. My favorite was when he would be working at the old station 4 and we would go up in that old tower to watch the military planes taking off and landing. Good times dad! I miss you so much already, I love you. 😊😊😊 Chris

*Condolences to the family. I too have found memories of Mr. Reynolds, from playing little league baseball, to seeing him at our high school games growing up, to going to the family home with Ernest. He was an example for all to follow, He gave back to his community, and he loved his family. May his spirit live in all those that he touched in this life. May God Bless his soul and his family during this difficult time. We ask for God's Blessings for the family and healing. Amen.*

*The girls and I have many wonderful memories with Ernie. His funny habits, his sense of humor, the corny jokes, and his love for Mary's cooking are all things we will miss dearly.... but what we will miss the Most is the love he had for his family. We will always love you Ernie and we will miss you every day. Please watch over us and continue to guide your children and grandchildren from the heavens. RIP father in law. 🕯️*
