“ George and Celia you will be missed.
You never said "I'm leaving" You never said goodbye You were both gone before I knew it, And only God knew why A million times I needed you, A million times I cried If Love alone could have saved you, You never would have died In Life I loved you both dearly In death I love you still In my heart you hold a special place, That no one could ever fill It broke my heart to lose you, But you didn't go alone For part of me went with you, The day God took you home. I thought no one could ever love “Pelon” as much as I do. You proved me wrong over and over again, you loved him unconditionally and you were always his refuge when he needed you.
George and Celia, I thank you, for your unconditional love. I dedicate this song to you both “Cryin’ for me..... (Toby Keith). Because of the difficult road Pelon and I face with out you in our lives...

“ I'm sorry for your loss, Mr. Romero was truly a talent in our town. How he talked about his family and especially his wife's courageous battle with cancer. I got to know him at his shop and had many great conversations with him. I got the tattoo bug after my dad passed and he did a memorial piece for me and I just kept coming back. I will miss him. For the family, please know he spoke well of all of his family and spoke of his love for them. Rest In Peace
