“ I will greatly miss my grandmother. She was always the rock we could cling to in the storms of our lives. I embrace the courage she showed me in her final days with us. I never saw a person so at peace. She knew that she was going to a better place. I am so thankful that the Lord gave us such an amazing gift. 93 years she spent making people smile and laugh. I will forever love my "Jersey Girl"

My mother was my mommy and loved us with all her heart and soul. Now she is an angel and still watches over us just as she did our whole life.

“ I am blessed for having known Helen, and grieve that she's no longer here with us, But how I wish she could tell us what she sees today! The beauty that awaited her is where she is now, and our hope is to be with her, too, someday. She was my dime-bingo partner. We shared the bingo games together, and I so enjoyed her. And her jigsaw puzzles! It was fun to watch Helen and Al work on the puzzles, and what a gift when she asked me to sit down and join in. A wonderful mother to 7 children? My goodness, what an Angel! I am new at Brookdale, but have chosen the Tabernacle Baptist, and that was her church also, in prior years and when able to attend. I love her and greatly miss her. I send the family my love and prayers. I'm so sorry she's gone, but we know where she is...I love her dearly.
