“ *David and Vickie, I hope you remember me from Seven Rivers. I know I have thought about your family many times especially when I drive through Seven Rivers. I am sorry to see Calvin has passed away. I know his life was very difficult. I have also lost both my Mom and Dad and know how hard it is. Please know that you will always have old friends who remember you and think of your family when we were all young. I will always remember your Mom taking Martha and I along with you to swimming lessons in Artesia. God bless you both.*
