“ Ira, a man's man. Hard worker, loving husband, loving father, sincere helper and a true Christian. His daily actions and words have taught many the love of Christ's love.

Ira, what moves through is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say goodbye, but little by little, we will begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.

I love you. Have a wonderful reunion of family and friends in Heaven. Tell my Dad hello for me. Renee Dever Rowlett

“ I remember when I was younger Uncle Ira, my daddy Jake and some other ranch hands on the JP White Ranch, MY Cousins Kathy Judd, Robert JUdd would go out to a big barn to watch them sheer sheep during the Summer so tthey'd stay cool, during the Summer in Roswell. Kathy, Robert, & I would play on the gunnysacks full of cotton, Uncle Ira & my daddy would yell up to us YOU KIDS BECAREFUL!! DON'T FALL OFF AND HURT!! The stacks of cotton were high. There was a bunkhouse on the Ranch for all the ranchers to go eat after a hard days work, Aunt Leona was the cook she made Great meals we'd all sat at a long table Prayed before we ate. Aunt Leona was an Awesome cook back then, I'm sure she still is. I don't remember how old I was but every Saturday night before I went to bed, I took a bath, before I started my bath Aunt Leona would make me a cup of coffee to drink while I was bathing. Got my Church clothes laid out. Got up early Sunday morning went to Church, after Church we went out to eat. One year Kathy Judd and I went to a Church Camp in Joplin Missouri, had alot of fun, Robert went too. Man I miss the GOOD OLD DAYS. BEAUTIFUL MEMORIES THOUGH THAT WILL NEVER BE FORGOTTEN. “ As a kid, I remember times going out to the ranch and fishing at the ponds and having meals with uncle Ira and aunt Leona. I always felt kinda special being a twin myself and having been given the name Tracy Ira. I am happy to have been to Roswell recently and sat down with uncle Ira and we went through pictures and listened to the stories he had . He remember all the names of all the people and the horses. We went to church and out to eat afterwards. It was a great time that I will always cherish. We love you, Uncle Ira and we will continue to pray for you and Aunt Leona! Tell dad and Uncle Bob hi for us!

Thank you for the great work you did for me back in 2001 when you helped me like no other reason than because you loved me

“ *Ira was a gentle, sweet spirit with a huge heart. He loved horses. I remember when he came to Minnesota to visit, and immediately got his saddle out of the trunk, turned to Robert and said. When do we ride. He so impressed an area horse trainer that he wanted to offer Ira a job. Most of all he loved his wife and children. He would do anything for them. When Robert was sick he and mom stayed at Runaway Ranch for months helping Robert keep his spirits up, playing Mexican Train and working with the horses. He will be so very missed.*

My name is Patricio Espinoza. I was a co- worker of Mr. Winkler at RIAC maintenance. I work with Ira from 1990 until he retired from the air center. My deepest sympathies to the Winkler family for their loss. One of my many memories of Ira was he would tell me “If you are willing to learn I’m willing to teach you.” Ira became a mentor and a friend. I will miss him.
