“ Jamie Boykin was is, my baby Sister. We were only 11months apart. They call it Celestial Twins. She was my baby when we were little... Jamie was a free spirit and lived life to the fullest. No boundaries for her... She would hear that someone needed food or clothes for their kids she would go and hustle up what they needed. Even though she had nothing herself. Jamie had a kind soul with a twist...lol... RIP baby sister!!! I miss you and I love you so much... Wait for me SISSIE, I'll be there when its time for me to come home...XOXOXO
