“ Kevin is such a dear cousin, he has always been one of my top favorites. He always puts a smile on my face, always ready to tell a joke, to make you laugh, to cheer you up when you are down. He has been a big part of my life, I remember when my mom was alive, we spent many weekends at his house, tubaware parties, whatever my mom and Penny were up to at the time. He has always showed so much love to me and all my sisters. I know he will be greatly missed, but we will be together someday. My sisters nor my dad have internet so I like to say that they Love him very much, and will miss him deeply.
