Kierra always tried to brighten the lives of others and would give anything to help. She brought great joy to all who knew her, her seventeen years on earth were a blessing from God. Kierra will always be cherished by those who knew and loved her. “ *Larry, Tracy, Megan and Shane, We are so sorry for your loss. I was
shocked when I read the paper.
I went to her service on Monday and it was done really nice. I really
liked the way the preacher used her wooden box. It made me want
to go home and make a memory box.
Our prayers are with you family. I was looking for an address to
send a card and can't find your address. If you would e-mail it to me
I would like to send a card.

“ It is hard to express the great sorrow I and my family have for Kierra's family. The pain of losing someone so early in their life is beyond belief and is a tragedy to all who knew and loved her. My prayers are with all of Kierra's loved ones. Tracy and Larry, I am so sorry for you and your family's loss. Kierra was a beautiful child. Laurie, Bonnie, emilie, and Lawrence, you know that my family feels your pain. Please let us know if we can do anything. You are family to us, you have been there in our time of need. There is something that Kelsey Grammer said that helps me when I think of losing someone. "Life will serve up staggering challenges as you go through it. You will find comfort and distress in the most unlikely places. In the eyes of a loved one, in the unexpected death of a good friend, you will find faith. The sheer beauty of the world around you and the laughter of a really good joke will sustain you. What you most need in life will be given to you. In the face of unimaginable anguish there will be joy. I tell you this because I know it to be so. Take heart in that - and have faith."

“ Dear Tracey and Larry and family, I remember Kierra when she was just a preschool toddler at Little Angels Preschool. When it was at Assumption Catholic Church. I had the privilege of being her preschool teacher. She was a joy to have many many years ago in my class. I remember when she would run up to her Daddy just so happy all the time and always with a smile. And when mamma would drop her off she always wanting so many hugs and kisses. She was dearly loved by both and all. Everyday I've prayed for strength for you all and your family in this time of sadness. My prayers are with you and your family and I will always remember Kierra. “ I had the privilege of knowing Kierra when she was just a small four-year-old. She attended Little Angel's Preschool when we were located out of Assumption Catholic Church. She was a joy to know then as it probably was to know her now. I went back in my memory to remember the time she spent with us and I had to laugh to myself in remembering her and her contagious laugh. She was full of life even then. Tracy and Larry became good friends and we loved bumping into them in and around town. They always had a genuine concern for us and our children.

Losing Kierra has left a large hole in our hearts and we will miss her very much. Why God gave her to us for only 17 short years will remain a mystery to us all. We should rejoice that she now is with her eternal father, who waited for her with arms wide open.

To Meagan, Shane, Tracy and Larry I want you to know that we care about you very much and if you ever need anything please let us know. I will pray that the good Lord will sustain you through this trying time. God Bless You. "Miss Bee"
