“ I don't know what to really say but I wish I knew him and the family. I would like to get to know everyone, I was told about his passing in Oct and I have been trying to find him most my life, not knowing his name till almost a yr ago. If Gypsy would get a hold of me, I would be greatfully thankful.

“ *Larry was a quiet man who lived life on his terms, he worked hard and he played hard. He was very kind to my daughter and I over the years and he will be very missed by more people than he would have ever imagined. He had an amazing, life long impact on all who met him. He was an amazing Grandpa to all of the kids around him. He is really going to be missed. Love and Prayers for all who loved him.....*

“ I knew Larry all my life, he was like a second father to me. He had a true spirit of the wind, did what he wanted when he wanted to come and go exploring living life to the fullest. He always helped out when someone needed a hand. I will miss seeing his smiling face across my fence saying "hey baby girl/doll!" He is a great man who will never be forgotten. I am truly blessed to have known him and without him I would have never met one of my amazing brothers (Justin) who always protected me. Larry raised men and gentlemen at that, very rare. He was a loving man and I still can't believe he is gone, but the memories will live on forever. I am sorry to Larry's family for your loss, he will live forever in our hearts. Rest in peace Papa.
