“ *Sharon, George and Family. My thoughts and prayers are with all of you. I am sorry that I did not see the notice about Mrs. Wright until this evening, I would have been there at the services. What a wonderful large family and what great memories. Love, Debby Huckabee*

“ *To Lena's family - I am so sorry for your loss. I know what a void Lena's passing will leave in your hearts and lives. She was such a special lady and I have to thank you for sharing her with so many who loved her like she was our family, altho we knew she was yours. I was one of Lena's "girls" from the old Security National Bank in the 70's, who certainly owes a huge debt of gratitude to "Grandma Lena" who was so much more than a babysitter to our kids. She helped mold those children into the successful adults they are today. Rest In Peace Lena, I love you.*

“ *I am so sorry for your loss. I remember spending time with your grandma our senior year in high school when we didn't have class. She was a wonderful lady. She will be missed.*
