“Diane was a vital and involved laywoman who believed in sharing in the work of ministry, not just leaving it to others. Diane and Cecil were generous with their hosting of many church gatherings at their farm house near Artesia, which was a great venue for fellowship. Sorry we cannot be there for the memorial service, but it was good to meet with her last May and see her solid faith in God and clear assurance of heaven. Our prayers are with Cecil, the girls and the rest of the family. Love, Dean and Alice Coonradt

“Diane, you were always such a gracious host, I will always remember the fall cookouts at your place and all the silly games we played. You were the light of Jesus to this dark and dying world. You will be missed by all that had the privilege of knowing you. You all are in our thoughts and prayers, Love You All, Steve and Eunice Farmer
