“ Tony, Terry and Cheri. We were very shocked and saddened to read of your mother's death. You know how special both of your parents are to Emmalee and I, plus our children. Amy probably knew your parents best. One memory is Loretta picked up Amy from Trinity Methodist Kindergarten the day Gregory was born and kept her until I could get home later that afternoon. SO many good memories it's almost impossible to know where to start, much less where to end She was a special and unique person, for sure.

Please accept our sincere sympathy for your loss. We moved to Canyon, TX, over four years ago to be closer to our kids and grandkids. Miss Roswell and the people there like crazy, but this was done by God and the Holy Spirit. If you are ever close (we are 15-20 minutes away from most ALL of Amarillo, so please look us up. Steven and I are the only Knadles for MILES and MILES around. No land line phones, but all of us are on Facebook.
