“ So sorry to hear of the loss of Lydia. It has been years since I've seen her, but she was always so loving to me when I used to visit her at her parents house when I would go over to see her sister Cecilia who was my best friend in high school. My condolences to the family. I wished I could have seen her in recent years! May the Lord provide the family comfort in the midst of their grieving. Always, Peggi "Segura" Rasco
