“ So sorry to here about your mom's passing. My brother, Jerry Crane, graduated in 1963 from Flushing and we grew up next door to the Mason's, Gloria, David and Becky. As a matter of fact, today, I drove past where your family farm used to be. Today, there is a church and condominiums located there. Just thought I would share some of the memories that came to mind when I read your mom's obituary. Take care and I wish you all well.
