“*Mary was a dear friend. I never saw her when she wasn't smiling. When I first met Mary, I was her CPR teacher at ENMU-R. She had some difficulty with the infant practical and considered dropping the class. The Lord told me to work closely with her until she got it right. For some reason, it was imperative that Mary completed the class successfully. A couple of years later, it was apparent; she saved the life of an infant in my wife's office at the Social Security Administration. I then met Mary when I took up bowling and always looked forward to the times when I bowled against her. I had learned that Mary had a close relationship with the Lord and she became a real friend to me. My wife, Sharon and I will miss her as we talk about her often and her role in life saving that tiny infant. We love you Mary. George & Sharon Lee.*
