“ I had been trying to find her for months. My deepest condolences to the family. Mary Jean was a lady like no other. She was always concerned about everyone's else's well being before herself. She was a very intelligent conversationalist, funny and at the same time humble. One time I asked her to send me a picture of herself and she sent me a picture of Miss Piggy. Oh so cute she was and pure, incapable of any malice. Rest assured she's with our Lord now. I will miss her dearly. Julieta Cuen Kueller / West Palm Beach, Florida.

“ Marshall & Marion,

Our sympathies to you and your families. Your mother was a wonderful aunt, sister and sister in law. Her thoughts provided us with much comfort when Uncle Harry passed away several years ago. God Bless.
