Pat worked for the Department of Labor for more than 20 years and she happily retired in 2007. She had a gift when it came to working with the public, with people and has helped many over the years. She touched their lives with her passion, spunk, sassiness, and feisty attitude. Her laughter and smile

could warm anyone's heart and her generosity was endless. Pat raised three beautiful daughters to be loving, strong, independent women and to never settle. She gave them the passion, drive and inspiration to know they could do anything or be anyone. This obituary tribute was lovingly written for Pat by her family.

You are the light that
leads my way,
You are the sunshine
in my day.

You are the strength
when I fall apart,
You are the love
within my heart.

You are the courage
that sees me through,
when I am scared
I turn to you

I thank you for all
you've given me,
Without you here
I could never see.

That life is more
than what it seems.
but that's not always
what it means.

You taught me that life

was full of love,
that's how I know
you're an angel from above.

God made you
my mother because,
He knew I could not
live without you.

We will always be
Your baby girls,
We love you mom
You are our world.

“ I heard Patty passed away. I am so sorry to hear this. It took awhile to find her obituary since I couldn't find her married name. We went to Junior high school and high school together. We were at one time very good friends. I joined the Air force right after graduation and got married in 1978. Still married after 45 years. I lost touch with many people but always wondered how Patty made out in life. After reading her story I am very happy to find out it was a good life, surrounded by family and friends. I remember most her big smile and wonderful laugh. I wish to extend my deepest sympathy to her family. I pray the Lord has wrapped you all in His arms and given you peace. Patty was so special as you all already know. May God Bless. Brad Flynn

“ I am so very sorry to find out about Patty passing. I am one of her many first cousins from Steelton PA back east. We were the same age. I always enjoyed when the family got together and had cook out picnics at her house because when we were kids it was rare for someone to have their own swimming pool but Uncle Frank and Aunt Gloria had a beautiful house with a swimming pool. Those were the best times of my childhood getting together with family and swimming. We lost contact when they moved to Roswell NM. I heard that Deb may have passed but had no idea that Paul died, too. It would be nice to get in touch with Mark but he was very young when they moved and wouldn't remember me. My dad and Patty's dad were brothers. Things never were the same after everyone moved. I only wish that we could have made contact and visited Roswell before all the loss. Especially Patty. For any of the family imtetested I am on Facebook under my name David R. Ventura. It would be nice to hear from someone. My sincere condolences to the family and surviving daughters. Your poem was beautiful and I'm sure she was a wonderful Mom. God Bless you and may God comfort you all.

Sincerely,
David R. Ventura

“ I am so sorry to hear of Pat's death. I vividly recall the first day she came to work at the State Employment Service as it was called then. She was a breath of fresh air; a quick learner and hard worker. Most sincere condolences to all the family. Rest in Peace, kiddo.

“ To the family of Pat Andazola..... your mama was awesome. A true inspiration to all of us who sought her services when we found ourselves unemployed. She embraced us. She walked us through the process. She guided us to obtain our goals. And she never looked down on us nor did she turn her back.

God carries her now. Pat earned her wings here on earth. Her job is now complete.

Rest In Peace dear friend. Thank you for touching my life. And thank you for allowing me to touch yours. Pray for us. In Jesus Name.... Amen.

“ I will always remember Pat as the feisty co-worker, before she got sick and left the Department. Will always remember her dedication to helping people better their life. The world has truly lost a caring soul. She loved and lived to see her beautiful daughters do wonderful things. Jennifer, Kim and Amy may you take out good memories to carry you forward, she loved you with all her being.
