“ *Dear Bill, Daina, and Darya, Our sympathies on the death of Pat. She was surely one of a kind and will be greatly missed. My favorite story was the one that she told about the trip to NYC with Linda. Her description of the two of them negotiating big city streets with their bloomers drying on a clothesline in the back was hilarious! And she enjoyed the story as much as everyone else did. The most impressive thing about her was her willing heart. She would call me and say, forcefully, "Janie. What can I do?" She shared her willingness to make life a little brighter with all. We shall miss her.*

“ *Pat became one of my first friends in Roswell. We had many good times together, lots of practical jokes. A caring individual who would do anything for anyone, was a hard worker, and who cared deeply for Bill and her wonderful family. My condolences to you.*
