“ *Estoy contristada con la pérdida de su ser querido, no hay duda que la muerte es muy dolorosa, por tal razón quería compartir con usted algunas palabras de consolación que le ayudaran en estos momentos difíciles, tal como me ayudaron a mí. Estas palabras se encuentran en la Biblia, si tiene Biblia le invito a que lea, Juan 5:28,29, Hechos 24:15, Revelación 21:3, 4, ahí notara que dichos textos hablan de la bella esperanza de la resurrección, solo podemos imaginar la alegría de volver abrazar a nuestro ser querido que ha fallecido. ¡Qué maravilla!*
Con dicho pensamiento en mente, le invito a que visite el siguiente enlace: <http://www.JW.org/es/publicaciones/libros/tratado-muertos-vo-lver-a-vivir/> Ahí encontrara un artículo que habla más al respecto.

“ I remember eating the peaches from his yard. I was always amazed how many peaches were on the trees. Oh, and the grapes! So good.....Mr. Castillo was such a good father and husband. He was always working to take care of his family. He seemed to love providing. The wonderful daughters and grandchildren, and great grandchildren are a testament to what a good dad he was. His legacy will live on thru his children. His wife, Delma is a good friend of mine, and I feel her loss deeply. I was always in awe of the amount of time they were married, I knew it was a long time, but 45 years! Wow..that is not just a love, that is a friend who knows you as well as you know yourself. I can only imagine what a deep relationship develops in such a length of time. To Delma, and all the girls, I want to express how good it was to know him. To eat from his trees, and have him help me with my car, lol. This was such a surprise, since he always was the picture of health. But to his benefit, God did not make him suffer, but instead he went gently into the night, in the arms of angels....I hope I will be so lucky. Remember the joy of his life, he would have wanted it that way. God Bless you my friend.
