

Ronald Eugene Harrison

March 17, 1949 - March 19, 2021

Ronald Eugene Harrison, “Gene,” 72, passed away on Friday, March 19, 2021, in Roswell, NM. Gene was born on March 17, 1949, in San Jose, CA, to Doyle and Helen Harrison. He was the second to the youngest of five siblings: Harvey Harrison, Beverly Hoffman, Janice Estep, and Sandy Stacy.

With being an “Army Brat,” Gene was allowed to travel to many places, including Germany, where he graduated high school. He would often reminisce about fond memories of his past, where he lived, and the people he met along the way.

Gene loved being a nurse. In his 31-year nursing career, he took great care of many patients at St. Mary’s Hospital and Eastern New Mexico Medical Center. Many have expressed Gene’s kind nature and going the extra mile when he was on shift.

Gene also loved his “four-legged friends,” always speaking fondly of his pets, including Penny and Grimace.

An eternal bachelor, Gene never married or had any children of his own. He often stated that he couldn’t love his niece’s: Charlie Lawson and Stevie Considine, and nephew, Ray Farmer any more than his own. Gene continued to share that love to his great-niece’s: Alexandra Lawson and Erin Considine, and great-nephew’s: Foxx Lawson and Ezra Danley.

Gene was an avid reader and was always in the middle of a “good” book. He loved mystery novels, biographies, Christmas stories, and Reader’s Digest.

A way to a man’s heart is food, and that was definitely the case for Gene. He

was an excellent cook and thoroughly enjoyed being in the kitchen. Gene always admired his mom's culinary skills and loved sharing memories related to family recipes and traditions.

Gene loved music! He enjoyed many genres, including country, ABBA, Patsy Cline, and good 'ol 60's and 70's tunes.

Gene was a great friend and a wonderful listener. He stayed in touch with those he loved, always checking in by phone, usually with a cup of coffee close by. He was supportive, encouraging, and genuinely happy for other's successes.

True to his birthday, Gene was a leprechaun. He loved playing pranks and making people laugh. Gene had a great sense of humor and a beautifully, mischievous smile.

You knew Gene liked you if he would refer to you as "Stink." Gene has left many memories that will be forever-cherished and will be missed dearly by many.

Uncle Gene, we will continue to make you proud. We promise to carry on the family traditions, treat others with respect, find happiness and always watch the dance sequence at the end of Footloose twice.

In honor of Gene's wishes, there will not be a service.

Please take a moment to share a kind thought or memory with Gene's family at www.andersonbethany.com.

In lieu of flowers, donations can be made to the Roswell Humane Society.

“ I spoke to Ronald many times through the years while working on computers in the hospital. I could tell he was a shy person like myself and had a kind soul. I just didn't know that we were related through my wife Amber Higgins. I would have loved to get to know him. But, there is always someday. It doesn't end here.

“ Gene was an awesome cousin...we spent many a time on the phone talking about our memories of parents. Cousins and siblings. He was a loving, caring person who wanted to help. He was a godsend when dad had cancer and volunteered his time to administer nursing duties that we had no clue of when dad was so sick and then again when mom was ill in the hospital. I had not realized that he had a problem being in large gatherings or around people he didn't know...he talked about how he loved being a nurse but how he had to push himself to meet patients and families but his loving caring nature won out ...as I said...my awesome cousin! 💕💕 I never understood why he didn't come to the reunions...just wish I'd known sooner. You will be missed Gene...love you and will see you again some sweet day.
