“ I was sad to hear of the passing of Aunt Rosa. She was dearly
loved by all of us. My Dad (Don, her brother) often spoke of her and
how close he was to her.
Our hearts and prayers go out to all of her family.

“ It was such a privilege to get to know Aunt Rosa when I became an adult. I loved to visit with her, often taking her brother, my father, Don, with me. I loved to hear about her father and mother and her early life. I feel so blessed to have been able to chat with her about it.

I know she will be missed by her family, as she was loved so much. This is the last of the Wright family to go. Now they can all rejoice in heaven with their mother that they got to spend such little time with in this life! I know daddy (Don) was there to greet her and say, "Rosa, come on it, mamma has been waiting for you!"

“ Rosie was a very nice person. I am sorry to see her go, but I also know that she is in a place far better than here. I hope she meets up with everybody that she knows and loves that are already up there. May we all serve our purpose in life before we go.

“ Aunt Rosa will be missed by all of her nieces. Our father, Don, loved her very much and now they can be together in heaven. I personally have missed her and Lawrence's flower garden. She was a great lady and we loved her dearly.
