The family would like to extend a very special thank you to his niece, Stacie Leverett, who took care of him during the last part of his life, and Kenneth Thompson, who was always there to get Steve out of a jam, and Elizabeth Silva, who looked in on him often.

Those who knew Steve, knew he was a die-hard Dallas Cowboy's Football fan. He enjoyed many years of softball with friends. He enjoyed working at Furrs, Lawrence Brothers, Electric Supply Company, and Home Depot, where he made many friends. Early on, Steve developed a love of cooking from his grandparents, he owned and operated two restaurants. He loved fishing, and previously had managed Lake Van in Dexter, New Mexico. “ *The Barajas Family wish to express our sincere condolences to the Tuttle Family. I must share a story. When Dad had Johnnies Exxon the Tuttle's lived nearby. Steve was driving past the station one afternoon and I waved at him and he waved back. The next thing I heard was the squealing of tires and a crash. Steve rear ended someone!*

“ *I was the sister next to Steve in age. He was always having to take care of the rest of us at home when mom and dad were out. I remember that one time he was keeping us and he decided we could play basketball in the house.*

We were having all kinds of fun till Steve got his feet tangled up in a towel and fell into the wall. Big hole in the wall. We never did play ball in the house.

“ Steve my brother I would always go to Home Depot and I would always go into the office where you were and I would give you a hug and tell you I LOVE You Bubba. You were always loving towards my daughters, husband and me . You always would have a smile on your face and hug me and give me a kiss on the cheek. I will miss you so much. You were my friend and we always talked on facebook. I will miss you my brother but God got a new angel in heaven now. You look just like mama. I remember also when mom passed away. You met me at the door gave me a hug and told me to go tell mama goodbye that she already passed away. You squeezed my hand and kissed my cheek. you would always call me Molissa too.
