“ I remember many times Steve Urban opened his home to me when I had nowhere to go. He always had words of encouragement for me when I thought there was no reason to go on. He could brighten my day just with his smile. I feel Blessed just knowing he was my friend.

“ *My sincere condolences to the family. I would like to share something with you about Steve Urban. A situation arose when my husband and I were living with a relative. We had to get out of the house abruptly. We were between paydays and had no money. We went & spoke to Steve and asked for help. He told us the only money he had was his house payment. He loaned us his house payment money so that we could rent a motel room! That was the kind of generous & trusting man that he was. We paid him back as soon as we got paid. We never forgot his generosity. He will truly be missed. I pray that God will welcome him into heaven.*
