“ Sally,

Our deepest and heartfelt condolences to you and your family.

Susie was a very special person, so sweet and had very big heart and always had a beautiful smile.

We know how big the loss and we ask our good Lord to always be with all of you and give you all the comfort you so much need at this very difficult time.

Father Josh said such beautiful words at Sunday (August 17, 2014) mass. That she kept the church looking beautiful. That she set an example how a person should be by always smiling and giving her big bear hugs and being a good worker.

With all our love,

Frank and Minnie Sosa

“ Susan I will never forget you, Your precious smile and your great hugs! That just made me feel special and Loved no matter how bad life was. There were many times when i walked with a broken heart.. and than i would run into you!
Getting a hug from you was my medicine to appreciate life and all of Gods Blessings. You were my inspiration of what a true dedicated Christian should be.. to love others sincerely for who and what they are. Maybe it was your innocents but GODS LOVE SHINED THROUGH YOU ! and you always made my day better. On this earth you were one of our earthly angels that used her arms as wings. But now you are in Heaven spreading your WINGS where you can only find everlasting peace and love.
I Will Miss you but Never Forget YOU! My sweet special Friend.
Sincerely, Claudia Olivarria

“ *My aunt Susie, our time was short together but within that time you've helped me grow up aunt and taught me that doing the little things like playing cards, coloring and even word searches can make the time spent so wonderful. I'm torn apart from this all but one thing is clear, that with the cards you were given you've had the greatest attitude towards everything. I love you , only the best awaits:)*
