YOU NEVER SAID GOODBYE

You never said I'm leaving
You never said goodbye.
You were gone before I knew it,
And only God knew why.
A million times I needed you,
A million times I cried.
If love alone could have saved you,
You never would have died.
In life I loved you dearly,
In death I love you still.
In my heart you hold a place,
That no one could ever fill.
It broke my heart to lose you,
But you didn't go alone
For part of me went with you,
The day God took you home.

“ Tommy, still to this day I can't believe you're gone. We had a lot of good times together. From dancing around the coffee table or going to Big Bear when we was like 10. When I go by Grandama's house, it brings back good memories. I love you and miss you! Will see you soon!

“ My beloved husband so it seems that our future together was cut short only you and I knew how much we loved each other. You made me a promise 30 years ago that you would come back and you did. I met you at 18 years old and you were 20. I looked forward to every visit you made to Roswell. Though we had to go through this life apart for a time when destiny allowed us to reunite we were always together. You leave me with found memories. Then there are those left to understand. May you find your rest my love The Lord only knows when we may reunite again this is what will keep me hanging on. Remember never let go.

“ Aye Tommy... I can't believe you're gone from this world but I know once you closed your eyes, you saw your mama and never looked back. Since you were a small kid and you'd come to visit, you would follow us around everywhere. And when you were growing up, you'd always like to stay with us. Rest In Peace primito. Dale abrazos a Lydia, Ricardo, mi mama y papa.... a todos. Dios te bendiga 💙
