

Travis Bealer

January 4, 1953 - June 17, 2011

A memorial service will be held Thursday, June 23, 2011 at Anderson Bethany Funeral Home at 2:00 pm. Travis Douglas Bealer, of 201 W. Cherry Street, Hagerman, New Mexico, died on Friday, June 17, 2011. Doug was born on January 4, 1953, the third of three children of Mary and Dryke Bealer. He was survived by his son Jason Edward Bealer and his daughter-in-law, Lenora of Hagerman and his son Chad Preston Bealer of Taos. "Grandpa Doug" is also survived by his grandchildren, Zachary, Kaytelyn, Julian, Xavier, and Roy. Of Doug's two siblings, he is survived by his sister Fronnie Bealer of Hagerman. His brother Donny preceded him in death in April 2010. He attended school in Hagerman graduating in 1971. He was industrious and worked at jobs around Hagerman until he graduated. Doug moved to Albuquerque and worked at Sutherland Lumber Company for awhile. After living in Texas for a time, Doug went back to Hagerman to raise his two boys. During this time, he worked at the old feed store. He was also a successful Little League coach when his son Jason was playing. After his boys were out of school, Doug lived in Roswell where he worked for TMC for several years. Doug moved back to Hagerman and both drove a truck and dispatched for Milk Movers. He often would dispatch all day, then haul milk at night or on the weekend if for some reason some load could not be managed otherwise. He was a hard worker. For many years Doug was the "barbeque" king of the family. He was well-known for good grilling until his boys grew big enough to take over the "BBQ fork." He also made some of the best red enchiladas around. Doug was fun-loving and

would help anyone he could. Many people have stories of their being in a bind of some kind and Doug came to their rescue. He died in a Lubbock hospital of complications for diabetes. He was much loved and will be missed immensely by all his family and friends. Please take a moment to share your thoughts and memories with the family in the online register book at andersonbethany.com. Arrangements are under the direction of Anderson Bethany Funeral Home and Crematory.

“ Pete and I first met Doug when he worked for Reynolds Nationwide hauling milk across country. Pete has a lot of great memories of Doug and the many adventures those to were on. There was this one time where it was snowing so hard you couldn't see the blacktop nor lights in front or behind you. Pete was the lead driver and he got on the mike and told Doug that it was getting a little scary up in front. Doug said hell just mash the gas get on down the road I am right on your ass well be fine. They made it out of that storm. (lucky) There are so many stories that Pete could tell. He is going to be greatly missed by the Wilson Family.
