“ *'THY WILL BE DONE' For Jack: Never once say 'I want'- And never say 'I need'- Not one time- Not even in thought. Step up to the challenge- And never shy away- Do not cave, in prayer- To wants and needs. Because there is something already in you, Already in place, Waiting to serve, to forgive, to comfort...Covering you...Absorbing all negative energy- The pain, the loss, the longing, the guilt, the separation...Way too soon-Protecting YOU...When your armor and shield are not there- And life's cruel irony seeks YOU out. It is so- so simple, Many will miss it, Will look and not see, That which YOU have touched...And feel, And has reached YOU..."THY WILL BE DONE', Carries the day, When all else fails...It is the lynch pin that connects us all, Our collective breath measured in a single heartbeat, Our profound sorrow for YOUR loss, The foundation, the very ROCK, Upon which we stand.....Anonymous*
